Employer Handbook

WASHINGTON COUNTY

Introduction

Broadscope Disability Services provides fiscal agency services as **BDS Fiscal** to families receiving CLTS Waiver funding. When using the fiscal agent method of employing an individual to work with your child, your child becomes the employer. You, as your child's parent/guardian, then take on all employer responsibilities. BDS Fiscal can assist you with this process.

As your fiscal agent, BDS Fiscal will process payroll for your employees, make the required tax withholdings, complete year end federal tax processes, and manage individual budget funds, among other duties. This packet will detail what your responsibilities are as the employer and what responsibilities you are designating to BDS Fiscal as your fiscal agent. Please read the following information carefully and contact us with any questions.

Choosing a Fiscal Agent: Statement of Understanding

Using the Fiscal Agent method of employing one or more individuals to work with a child receiving CLTS Waiver services makes the child the employer. BDS Fiscal does **not** have any authority over the job performance of any such employee – nor does the county authorizing the child's CLTS services (hereafter known as the CLTS Waiver Agency). That means the child's parent/guardian will act as the employer representative and must voluntarily accept the responsibilities that an employer would have. Those include:

- ☐ Recruiting, interviewing, and hiring the employee
 - ☐ Providing initial and ongoing training regarding the care needs of the child and their job-related responsibilities
 - ☐ Providing training regarding confidentiality concerns and expectations
 - ☐ Setting the employee's wage (within the limits of what the waiver will reimburse for the particular service the employee performs and with the approval of BDS Fiscal and the CLTS Waiver Agency), realizing that wages will be withheld if employee and parent/employer representative are not compliant with BDS Fiscal and CLTS guidelines and timelines
 - ☐ Supervising employee performance, providing feedback as appropriate
 - ☐ Setting and enforcing expectations with regard to professionalism in the home, scheduling changes or conflicts, types of acceptable communication, amount of notice requested for vacating the position, etc.
 - ☐ Preparing a back-up plan in the event that the scheduled employee is not able to meet the needs of the child/family
 - ☐ **Ensuring that the employee does NOT work over 40 hours/week**
(unless employee is authorized to provide full day respite at day rate)
 - ☐ Disciplining and terminating the employee, if parent/employer feels that to be appropriate and necessary
 - ☐ Considering insurance coverage/implications in the event that the employee is injured while providing care. Employees will be eligible for Worker's Compensation under BDS Fiscal.
 - ☐ Ensuring that all paperwork (both employer's and employee's) is submitted to BDS Fiscal and approved by BDS Fiscal prior to the employee's first date of service to the child
- **No services provided prior to BDS Fiscal's approval date will be paid.**

Please be clear that neither BDS Fiscal nor the CLTS Waiver Agency is the employer. In many cases, BDS Fiscal and the CLTS Waiver agency do not even know these prospective privately retained service providers. BDS Fiscal and the CLTS Waiver agency do not hire, train, supervise, discipline, or terminate these individuals; nor do they verify the employment history or check references of these individuals. It is up to the family hiring the individual to ask for references (personal and professional) and to verify those references prior to employment.

Parent/guardian: If BDS Fiscal or your CLTS Service Coordinator provides you with names of people who are willing to work in your community, it remains your responsibility to interview them and make your own judgment as to their appropriateness to work in your home with your child. Neither BDS Fiscal nor your Service Coordinator are endorsing or recommending these people for employment. Rather, they are merely putting you in touch with individuals who have expressed a willingness to work with children with disabilities.

BDS Fiscal's role is limited to completing the employee's criminal background check, ensuring the employee's ongoing training is completed, processing the employee's payroll, and completing end of year federal tax processes for the employee. The CLTS Service Coordinator's role is to determine the authorized number of hours for the child.

Employers are not able to offer benefits such as vacation, sick time, etc. The waiver can only reimburse for hours actually provided to the recipient. Additionally, the employer is responsible for the final approval of hours worked by the employee to be paid through BDS Fiscal. Employers should verify hours worked as listed on the timesheet before signing it. **The employee cannot work more than 40 hours for the same employer/child in a work week (Sunday-Saturday).**

Parent/guardian and service provider: If you have any questions about any of these responsibilities, or about using BDS Fiscal, please contact BDS Fiscal or the CLTS Service Coordinator. If you have any questions that are of a legal nature about the employer/employee relationship, you are encouraged to seek the advice of an attorney.

****As an employer-representative of a fiscal agent worker, I understand the stated information and accept responsibility. I understand that all employee paperwork including the 'Participant Specific Training Certification' must be completed and received by BDS Fiscal PRIOR to working with the client.**

****As an employee, I understand the role of my employer and the CLTS Waiver requirements.**

Fraud Notice

Misuse of Children's Long Term Support (CLTS) funding is fraud. Due to being a Medicaid funded program, this would be **Medicaid fraud**, which is a federal offense. The following information is provided with the intent of educating and informing parents and providers regarding the use of these funds, and to ensure understanding and compliance with their intended use.

Please initial the beginning of each paragraph as you read.

EMPLOYEE EMPLOYER

- _____ CLTS monies are to be used only for the benefit of the child who has qualified for services. Any use of acceptance of money for anything other than goods or services to the eligible child is considered fraud.
- _____ Timesheets for in-home workers should reflect the number of service hours actually provided to the eligible child. Any alteration of the timesheet to inflate or misrepresent the number of hours provided to that child is considered fraud.
- _____ Families cannot benefit financially from providers other than by the direct benefit of the service that their eligible child receives. A provider giving a "kickback" to a parent is considered fraud.
- _____ CLTS funds can only be used for allowable services that are pre-approved by the child's Service Coordinator. Misrepresentation of a service that you provide or receive in order to claim reimbursement for non-allowable services is considered fraud.
- _____ If you are aware or become aware of a situation involving misuse of CLTS Waiver funds, please immediately contact either the Service Coordinator assigned to the case or Sarah Witte, Youth Treatment Team Supervisor of the Washington County Human Services Department, at 262-335-4592. In the interest of good stewardship of public funds; and to maintain public trust, program continuation, and adherence to program objectives, Washington County will aggressively follow up on any such report if sufficient information is offered. If the initial review suggests intentionality, Washington County would be obligated to report such suspicion to law enforcement for further investigation.

My signature below indicates that I have read and understand the statements made above. If I have any questions about those statements, I know that I can contact my CLTS Service Coordinator directly.

Service Definitions

Service definitions apply to independent workers paid through BDS Fiscal. This document is intended to describe the employee's responsibilities/tasks for CLTS Waiver purposes. Please refer to the current CLTS Waiver Manual or contact your CLTS Service Coordinator for full definitions & exclusions of each service.

Requirements to provide these services include showing proof of at least two years of experience working with children with disabilities and child specific training.

Please note: **Employees are not allowed to work over 40 hours in a work week (Sunday-Saturday).**

- **Child Care** - Child care services ensure the child or youth's exceptional physical, emotional, behavioral, or personal care needs are met during times when their family members are working, pursuing education or employment goals, or participating in training to strengthen the family's capacity to care for their child.

Children under 12 years of age: this service includes the supplemental cost of child care to meet the child's exceptional care needs. This includes staffing necessary to meet the child's care needs above and beyond the cost of basic child care that all families with young children may incur. The basic cost of child care is the rate charged by and paid to a child care provider for children who do not have special needs. The basic cost of child care does not include the provision of supplementary staffing, which may be covered by this service.

Children 12 years of age and older: the total cost of child care may be included. The total cost of child care is available when the child has aged out of their traditional child care settings (typically available up to age 12), but due to a disability the child continues to require care or supervision.

- **Daily Living Skills Training** – Daily living skills training (DLST) services provide education and skill development or training to support the child or youth's ability to independently perform routine daily activities and effectively use community resources. These instructional services, provided by qualified professionals, focus on skill development and include personal hygiene, food preparation, home upkeep, money management, and accessing & using community resources.

DLST does NOT include activities recreational in nature, social skill training, educational related services, behavior modification, or substitute task performance. An initial goal setting report is required at the start of services with progress reports every six months.

- **Mentoring** - Mentoring services improve the child or youth's ability to interact in their community in socially advantageous ways. The mentor provides the child or youth with experiences in peer interaction, social and/or recreational activities, and employability skill-building opportunities during spontaneous and real-life situations, rather than in a segregated or classroom-type environment. The mentor implements learning opportunities by guiding and shadowing the child or youth in the community while practicing and modeling interaction skills.

Providers must develop a written plan documenting the objectives for the child and the objectives for the mentor. A written summary of the progress toward and changes to the objectives for the child or youth and their mentor is required every three months. At a minimum, team review meetings are held quarterly.

- **Respite Care** – Respite care services maintain and strengthen the child or youth's natural supports by easing the daily stress and care demands for their family, or other primary caregiver(s), on a short-term basis. These services provide a level of care and supervision appropriate to the child or youth's needs while their family or other primary caregiver(s) are temporarily relieved from daily caregiving demands.

Home-based respite may be used for overnight stays or partial day stays for the child or youth, in their primary residence or at the home of a caregiver. The provider is required to receive training specific for the child or youth's support and care needs.

Respite care group rates may apply if respite is being provided for more than one child at the same time.

- **Supportive Home Care** – Supportive home care (SHC) directly assists the child or youth with daily living activities and personal needs, to promote improved functioning and safety in their home and community. SHC may be provided in the child or youth's home or in a community setting.

Services include direct assistance with instrumental activities of daily living, observation or cueing of the child to safely & appropriately complete activities of daily living and instrumental activities of daily living, supervision necessary for safety at home and in the community (e.g. observation to assure appropriate self-administration of medications, money management, assistance with communication, arranging and using transportation, checking out library books, ordering food from a menu); and intermittent major household tasks that must be performed seasonally or in response to a natural or other periodic event for reasons of health and safety or the need to assure the youth's continued community living.

- **Transportation** – Transportation maintains or improves the child's mobility and increases their inclusion, independence, and participation in the community. This service funds the child's or youth's nonmedical, nonemergency transportation needs related to engaging with their community—with the people, places, and resources that are meaningful for their self-determination—and to meet their goals and daily needs. If needed, transportation charges for an attendant (including parent/guardian) to accompany the child or youth when accessing the community are included.

Providers are required to have a current driver's license issued by the Department of Transportation and current insurance and must provide copies of both to BDS Fiscal. Vehicles used to provide transportation must be insured and in good repair, with all operating and safety systems functioning.

Please check all authorized service(s) the employee will provide for the employer/participant:

	Child Care		
	Daily Living Skills Training		
	Mentoring		
	Respite Care		
	Respite Care Group		
	Supportive Home Care		
	Transportation		

By signing below, I demonstrate that I understand and accept the above responsibilities. Both parties understand that we may not charge in excess of the amount authorized on the Child/Participant's plan. After the Employee has performed the services per this agreement, timesheets are due to BDS Fiscal according to the Payment Schedule. Both signers agree to only submit timesheets within the hours authorized. Without prior approval, excess hours claimed above authorization may be rejected for payment.

CRITICAL INCIDENT REPORTING OVERVIEW**What is a critical incident?**

A critical incident is any actual or alleged event or situation that creates a significant risk or serious harm to the physical, mental health, safety, or well being of your child. The critical incidents that must be reported to your Support and Service Coordinator include:

- Any abuse or neglect of the child known or suspected
- Errors in medical or medication management that result in a significant adverse reaction that requires medical attention
- The initiation of an investigation by law enforcement of an event or allegation regarding a child as either a perpetrator or victim, unless such action is a component of an approved crisis or treatment plan.
- Significant and substantial damage to the residence of the child or service provider.
- Use of isolation, seclusion, or restraint by a service provider which is not included and approved as part of a behavior support plan.
- An unexpected event or behavior that causes a serious injury or risk to the child; which may include running away, setting a fire, violence, hospitalization resulting from an accident, suspected or confirmed suicide attempts, or death of the child.

If any of these incidents occur please contact your Support & Service Coordinator.

Contact Name & Phone Number: Washington County Human Services Department,
division of Children & Families: 262-335-4610

Why is a critical incident reported?

- The assurance of health, safety, and welfare of your child is a condition of all Medicaid Waivers by the federal Centers for Medicare and Medicaid Services.
- One of the ways both the State and contracted agents assure health, safety, and welfare of your child is by individually reporting, monitoring, and resolving critical incidents.
- To address incidents as they occur and decrease the likelihood of a recurrence.

How is a critical incident reported?

- As soon as possible families and providers are required to report critical incidents to their agency Support and Service Coordinator.
- Agency Support and Service Coordinators are required to immediately report critical incidents to the State staff responsible for the CLTS Waiver program to ensure necessary steps have been taken to protect the child and assure safety.
- Agency Support & Service Coordinators are required to submit a final report within 30 days of the incident.

What happens after a critical incident is reported?

- Support and Service Coordinators are expected to address and resolve situations and implement systems to decrease the likelihood of a recurrence.
- The State staff responsible for the CLTS Waiver program will use information collected in critical incident reports to identify statewide or regional trends, which will then allow for the development of training or interventions to decrease the likelihood of recurrence.

If a critical incident occurs, families and providers should seek all necessary care and assistance from medical or emergency personnel as appropriate. This reporting procedure does not provide an immediate response or replace other mandatory reporting expected of agency personnel.

When you hire a provider, their employee packet will contain a copy of this overview as well as a form acknowledging receipt of this information that both parties will need to sign.

Fiscal Agent Agreement

Any person who pays another person to provide services for him or her has the right and responsibility to hire, fire, supervise, train, set hours of work, determine rates, control payment, assign tasks and duties, determine working conditions, and provide tools and supplies. The person with these rights is the Employer. Any person providing these services is the Employee.

Note: some Employer obligations are different when the Employee is the Employer's spouse, parent, or child under 18, as described below. However, any person providing CLTS Waiver services must be 18 years of age or older. Additionally, neither the child's parents nor any spouse of the child's parents is eligible to provide CLTS Waiver services to the child.

For each Employee, the Employer has the obligation to:

1. Pay a wage at least equal to the Federal and State minimums.
2. Arrange for social security benefits for Employees earning more than \$50.00 in a calendar quarter who are not the Employer's Spouse, Parent, or Child under 18.
3. Arrange for Worker's Compensation benefits.
4. Arrange for Unemployment Compensation benefits for Employees paid more than \$1000.00 in a calendar quarter who are not the Employer's Spouse, Parent, or Child under 18.
5. Arrange for the maintenance of the records and file the necessary forms with the appropriate Federal and State agencies to comply with bullets 2, 3, and 4 above.

In addition, the Employee will not work over 40 hours in a work week (Sunday-Saturday) unless employee is authorized to provide full day respite at day rate.

I have read and understood the above information and I make the following election regarding my responsibility as an Employer. By my signature below, I wish to have **BDS Fiscal** appointed as my fiscal agent on behalf of me as the Employer to ensure timely recording and payment of required benefits.
