Parent as Employee Handbook Instructions

Background Check (pages 4-8)

The Wisconsin Caregiver Law requires employers of individuals involved in the home or personal care of others to conduct an extensive caregiver criminal background check of those considered for employment. To complete this, fill out pages 5-6. Information about and instructions for this disclosure are on page 4.

Additionally, if you have lived outside of Wisconsin during the last three years, an out-of-state background check is required. To complete this, fill out and sign pages 7-8. To review your rights under the Fair Credit Reporting Act, visit https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf (BDS Fiscal will not check your credit).

I-9, W-4, WT-4 (pages 9-18)

Full I-9 instructions are available at https://www.uscis.gov/i-9 and a sample is included. If you are unable to access these instructions electronically and need a printed copy, please contact BDS Fiscal. You will complete Section 1 of the I-9 as the employee. Check the appropriate box to indicate whether you used a preparer or translator.

Typically, Section 2 of the I-9 is completed by the parent/employer after you present them with your documents (the physical items – not copies or pictures). However, due to the current special circumstances, you will need to send copies of your documents to BDS Fiscal so that we can complete Section 2. See the List of Acceptable Documents for what may be used for this process.

W-4 and WT-4 instructions are provided on the form itself. All of these documents are required for employment in the state of Wisconsin.

Employee & Employer Forms (pages 19-29)

The forms on pages 19-27 typically require the signatures of both you (the employee) and the parent/employer. However, due to the current special circumstances, you will sign them only once as both the employee & employer.

Page 28, Authorization for Disclosure of Protected Health, Mental Health, Alcohol/Drug Abuse or Human Services Assistant Information, is a consent form to allow you and Washington County to share information about the Employer. Fill in the child's information as name of client, enter your information as agency/individual, and fill in the dates of records/services (date of hire to one year from date signed). Then sign at the bottom.

Page 29, BDS Fiscal Consent for the Release of Confidential Information, is a consent form to allow you and BDS Fiscal to share information about the Employer. Fill in the name of the child and your name in the appropriate blanks, then sign your name. You may check additional boxes or add information to the form to alter its constraints if desired (not required).

Employee Set-Up Forms (pages 30-35)

Direct deposit is required for all employees. BDS Fiscal does not distribute payroll via paper checks. Complete page 30 and attach the necessary bank information as described. If you do not have a bank account and need assistance setting one up, visit www.consumerfinance.gov/consumer-tools/bank-accounts for resources and guidance.

Employees are required to complete training with the employer before beginning work with a client (page 31). As the child's parent, you are of course already "trained". Simply sign & date this form.

A sample timesheet, a blank timesheet, and the payroll schedule for BDS Fiscal are provided on pages 32-34. Contact BDS if you have questions on how to properly fill out your timesheets.

Optional: submit page 35, Additional Employment Interests, if you would like to work with more families.

BACKGROUND INFORMATION DISCLOSURE (BID) INSTRUCTIONS

- The Background Information Disclosure (form F-82064) gathers information as required by the Wisconsin Caregiver Background Check Law to help employers and governmental regulatory agencies make employment, contract, residency, and regulatory decisions.
- Complete and return the entire form and attach explanations as specified by employer or governmental regulatory agency.
- NOTE: If you are an owner, operator, board member, or non-client resident of a facility regulated by the Division of Quality
 Assurance (DQA), complete the BID, <u>F-82064</u>, and the BID Appendix, <u>F-82069</u>, and submit both forms to the address noted in the
 BID Appendix Instructions.

CAREGIVER BACKGROUND CHECK LAW

In accordance with the provisions of Wis. Stat. § 50.065, for persons who have been convicted of certain acts, crimes, or offenses:

- The Department of Health Services (DHS) may not license, certify, or register the person or entity.
 *Note: Employers and Care Providers are referred to as "entities."
- 2. An entity may not employ, contract with, or permit persons to reside at the entity.

The list of offenses affecting caregiver eligibility that require rehabilitation review is available from the regulatory agencies or through the Internet at https://www.dhs.wisconsin.gov/caregiver/statutes.htm.

The Caregiver Law covers the following EMPLOYERS / CARE PROVIDERS (aka ENTITIES) regulated under Wis. Stat. §§ 50, 51, and 146:

- Adult Family Homes (3-4 Bed)
- Ambulance Service Providers
- AODA Services
- Community Based-Residential Facilities
- Community Mental Health Programs
- Community Support Programs (CSP)
- Developmental Disabilities
- Emergency Mental Health Service Programs

- Intermediate Care Facility for Individuals with Intellectual Disabilities
- Home Health Agencies, including those that provide personal care services
- Hospices
- Hospitals
- Mental Health Day Treatment Services for Children
- Nursing Homes
- Residential Care Apartment Complexes
- Rural Medical Centers

The Caregiver Law covers the following PERSONS:

- Anyone employed by or contracting with a covered entity who has access to the clients served, except if the access is infrequent or sporadic and service is not directly related to care of the client. Exception: Emergency medical technicians and first responders are not covered under the Caregiver Law.
- Anyone who lives on the premises of a covered entity and is 10 years old or over, but is not a client ("non-client resident").
- Anyone who is licensed by DHS.
- Anyone certified by DHS.
- Anyone registered by DHS.
- Anyone who is a board member or corporate officer who has access to the clients served.

FAIR EMPLOYMENT ACT

Wisconsin's Fair Employment Law, Wis. Stat. §§ 111.31 – 111.395, prohibits discrimination because of a criminal record or pending charge. However, it is not discrimination to decline to hire or license a person based on the person's arrest or conviction record if the arrest or conviction is substantially related to the circumstances of the particular job or licensed activity.

PERSONALLY IDENTIFIABLE INFORMATION

This information is used to obtain relevant data as required by the provisions set forth by the Wisconsin Caregiver Background Check Law. Providing your social security number is voluntary; however, your social security number is one of the unique identifiers used to prevent incorrect matches. For example, the Department of Justice uses social security numbers, names, gender, race, and date of birth to prevent incorrect matches of persons with criminal convictions. The Department of Health Services' Caregiver Misconduct Registry uses social security numbers as one identifier to prevent incorrect matches of persons with findings of abuse or neglect of a client or misappropriation of a client's property.

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 and you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2021)

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2021 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 10% of your income	1	\$
2	Enter: • \$25,100 if you're married filing jointly or qualifying widow(er) • \$18,800 if you're head of household • \$12,550 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

EMPLOYEE INSTRUCTIONS:

WHO MUST COMPLETE:

Effective on or after January 1, 2020, every newly-hired employee is required to provide a completed Form WT-4 to each of his or her employers. Form WT-4 will be used by your employer to determine the amount of Wisconsin income tax to be withheld from your paychecks. If you have more than one employer, you should claim a smaller number or no exemptions on each Form WT-4 provided to employers other than your principal employer so that the total amount withheld will be closer to your actual income tax liability.

You must complete and provide your employer a new Form WT-4 within 10 days if the number of exemptions previously claimed DECREASES.

You may complete and provide to your employer a new form WT-4 at any time if the number of your exemptions INCREASES.

Your employer may also require you to complete this form to report your hiring to the Department of Workforce Development.

UNDER WITHHOLDING:

If sufficient tax is not withheld from your wages, you may incur additional interest charges under the tax laws. In general, 90% of the net tax shown on your income tax return should be withheld.

OVER WITHHOLDING:

If you are using Form WT-4 to claim the maximum number of exemptions to which you are entitled and your withholding exceeds your expected income tax liability, you may use Form WT-4A to minimize the over withholding

WT-4 Instructions - Provide your information in the employee section.

(a)-(c) Number of exemptions - Do not claim more than the correct number of exemptions. If you expect to owe more income tax for the year than will

be withheld if you claim every exemption to which you are entitled, you may increase your withholding by claiming a smaller number of exemptions on lines 1(a)-(c) or you may enter into an agreement with your employer to have additional amounts withheld (see instruction for line 2).

(c) Dependents – Those persons who qualify as your dependents for federal income tax purposes may also be claimed as dependents for Wisconsin purposes. The term "dependents" does not include you or your spouse. Indicate the number of dependents that you are claiming in the space provided.

Additional withholding - If you have claimed "zero" exemptions on line 1, but still expect to have a balance due on your tax return for the year, you may wish to request your employer to withhold an additional amount of tax for each pay period. If your employer agrees to this additional withholding, enter the additional amount you want deducted from each of your paychecks on line 2.

LINE 3:

Exemption from withholding - You may claim exemption from withholding of Wisconsin income tax if you had no liability for income tax for last year, and you expect to incur no liability for income tax for this year. You may not claim exemption if your return shows tax liability before the allowance of any credit for income tax withheld. If you are exempt, your employer will not withhold Wisconsin income tax from your wages.

You must revoke this exemption (1) within 10 days from the time you expect to incur income tax liability for the year or (2) on or before December 1 if you expect to incur Wisconsin income tax liabilities for the next year. If you want to stop or are required to revoke this exemption, you must complete and provide a new Form WT-4 to your employer showing the number of withholding exemptions you are entitled to claim. This certificate for exemption from withholding will expire on April 30 of next year unless a new Form WT-4 is completed and provided to your employer before that date.

Choosing a Fiscal Agent: Statement of Understanding

Using the Fiscal Agent method of employing one or more individuals to work with a child receiving CLTS Waiver services makes the child the employer. BDS Fiscal does **not** have any authority over the job performance of any such employee – nor does the county authorizing the child's CLTS services (hereafter known as the CLTS Waiver Agency). That means the child's parent/guardian will act as the employer representative and must voluntarily accept the responsibilities that an employer would have. Those include:

Recruiting, interviewing, and hiring the employee
Providing initial and ongoing training regarding the care needs of the child and their job-related responsibilities
Providing training regarding confidentiality concerns and expectations
Setting the employee's wage (within the limits of what the waiver will reimburse for the particular service the employee performs and with the approval of BDS Fiscal and the CLTS Waiver Agency), realizing that wages will be withheld if employee and parent/employer representative are not compliant with BDS Fiscal and CLTS guidelines and timelines
Supervising employee performance, providing feedback as appropriate
Setting and enforcing expectations with regard to professionalism in the home, scheduling changes or conflicts, types of acceptable communication, amount of notice requested for vacating the position, etc.
Preparing a back-up plan in the event that the scheduled employee is not able to meet the needs of the child/family
Ensuring that the employee does NOT work over 40 hours/week (unless employee is authorized to provide full day respite at day rate)
Disciplining and terminating the employee, if parent/employer feels that to be appropriate and necessary
Considering insurance coverage/implications in the event that the employee is injured while providing care. Employees will be eligible for Worker's Compensation under BDS Fiscal.
Ensuring that all paperwork (both employer's and employee's) is submitted to BDS Fiscal and approved by BDS Fiscal <u>prior to</u> the employee's first date of service to the child **No services provided prior to BDS Fiscal's approval date will be paid.

Please be clear that neither BDS Fiscal nor the CLTS Waiver Agency is the employer. In many cases, BDS Fiscal and the CLTS Waiver agency do not even know these prospective privately retained service providers. BDS Fiscal and the CLTS Waiver agency do not hire, train, supervise, discipline, or terminate these individuals; nor do they verify the employment history or check references of these individuals. It is up to the family hiring the individual to ask for references (personal and professional) and to verify those references prior to employment.

Parent/guardian: If BDS Fiscal or your CLTS Service Coordinator provides you with names of people who are willing to work in your community, it remains your responsibility to interview them and make your own judgment as to their appropriateness to work in your home with your child. Neither BDS Fiscal nor your Service Coordinator are endorsing or recommending these people for employment. Rather, they are merely putting you in touch with individuals who have expressed a willingness to work with children with disabilities.

Send to BDS

BDS Fiscal's role is limited to completing the employee's criminal background check, ensuring the employee's ongoing training is completed, processing the employee's payroll, and completing end of year federal tax processes for the employee. The CLTS Service Coordinator's role is to determine the authorized number of hours for the child.

Employers are not able to offer benefits such as vacation, sick time, etc. The waiver can only reimburse for hours actually provided to the recipient. Additionally, the employer is responsible for the final approval of hours worked by the employee to be paid through BDS Fiscal. Employers should verify hours worked as listed on the timesheet before signing it. The employee <u>cannot</u> work more than 40 hours for the same employer/child in a work week (Sunday-Saturday).

Parent/guardian and service provider: If you have any questions about any of these responsibilities, or about using BDS Fiscal, please contact BDS Fiscal or the CLTS Service Coordinator. If you have any questions that are of a legal nature about the employer/employee relationship, you are encouraged to seek the advice of an attorney.

I am the employer's parent/legal guardian and have been temporarily authorized as a paid caregiver through the CLTS exemption program. By signing below, I agree that the information on this form is accurate.

Fraud Notice

Misuse of Children's Long Term Support (CLTS) funding is fraud. Due to being a Medicaid funded program, this would be **Medicaid fraud**, which is a federal offense. The following information is provided with the intent of educating and informing parents and providers regarding the use of these funds, and to ensure understanding and compliance with their intended use.

EMPLOYEE EMPLOYER	Please initial the beginning of each paragraph as you read.
	CLTS monies are to be used only for the benefit of the child who has qualified for services. Any use of acceptance of money for anything other than goods or services to the eligible child is considered fraud.
	Timesheets for in-home workers should reflect the number of service hours actually provided to the eligible child. Any alteration of the timesheet to inflate or misrepresent the number of hours provided to that child is considered fraud.
	Families cannot benefit financially from providers other than by the direct benefit of the service that their eligible child receives. A provider giving a "kickback" to a parent is considered fraud.
	CLTS funds can only be used for allowable services that are pre-approved by the child's Service Coordinator. Misrepresentation of a service that you provide or receive in order to claim reimbursement for non-allowable services is considered fraud.
	If you are aware or become aware of a situation involving misuse of CLTS Waiver funds, please immediately contact either the Service Coordinator assigned to the case or Sarah Witte, Youth Treatment Team Supervisor of the Washington County Human Services Department, at 262-335-4592. In the interest of good stewardship of public funds; and to maintain public trust, program continuation, and adherence to program objectives, Washington County will aggressively follow up on any such report if sufficient information is offered. If the initial review suggests intentionality, Washington County would be obligated to report such suspicion to law enforcement for further investigation.

Service Definitions

Service definitions apply to independent workers paid through BDS Fiscal. This document is intended to describe the employee's responsibilities/tasks for CLTS Waiver purposes. Please refer to the current CLTS Waiver Manual or contact your CLTS Service Coordinator for full definitions & exclusions of each service.

Requirements to provide these services include showing proof of at least two years of experience working with children with disabilities and child specific training.

Please note: Employees are not allowed to work over 40 hours in a work week (Sunday-Saturday).

- Child Care Child care services ensure the child or youth's exceptional physical, emotional, behavioral, or personal care needs are met during times when their family members are working, pursuing education or employment goals, or participating in training to strengthen the family's capacity to care for their child.
 - <u>Children under 12 years of age</u>: this service includes the supplemental cost of child care to meet the child's exceptional care needs. This includes staffing necessary to meet the child's care needs above and beyond the cost of basic child care that all families with young children may incur. The basic cost of child care is the rate charged by and paid to a child care provider for children who do not have special needs. The basic cost of child care does not include the provision of supplementary staffing, which may be covered by this service.
 - <u>Children 12 years of age and older</u>: the total cost of child care may be included. The total cost of child care is available when the child has aged out of their traditional child care settings (typically available up to age 12), but due to a disability the child continues to require care or supervision.
- Daily Living Skills Training Daily living skills training (DLST) services provide education and skill
 development or training to support the child or youth's ability to independently perform routine daily activities
 and effectively use community resources. These instructional services, provided by qualified professionals,
 focus on skill development and include personal hygiene, food preparation, home upkeep, money
 management, and accessing & using community resources.
 - DLST does NOT include activities recreational in nature, social skill training, educational related services, behavior modification, or substitute task performance. An initial goal setting report is required at the start of services with progress reports every six months.
- **Mentoring** Mentoring services improve the child or youth's ability to interact in their community in socially advantageous ways. The mentor provides the child or youth with experiences in peer interaction, social and/or recreational activities, and employability skill-building opportunities during spontaneous and real-life situations, rather than in a segregated or classroom-type environment. The mentor implements learning opportunities by guiding and shadowing the child or youth in the community while practicing and modeling interaction skills.
 - Providers must develop a written plan documenting the objectives for the child and the objectives for the mentor. A written summary of the progress toward and changes to the objectives for the child or youth and their mentor is required every three months. At a minimum, team review meetings are held quarterly.
- Respite Care Respite care services maintain and strengthen the child or youth's natural supports by easing
 the daily stress and care demands for their family, or other primary caregiver(s), on a short-term basis. These
 services provide a level of care and supervision appropriate to the child or youth's needs while their family or
 other primary caregiver(s) are temporarily relieved from daily caregiving demands.
 - <u>Home-based respite</u> may be used for overnight stays or partial day stays for the child or youth, in their primary residence or at the home of a caregiver. The provider is required to receive training specific for the child or youth's support and care needs.
 - Respite care group rates may apply if respite is being provided for more than one child at the same time.

• Supportive Home Care – Supportive home care (SHC) directly assists the child or youth with daily living activities and personal needs, to promote improved functioning and safety in their home and community. SHC may be provided in the child or youth's home or in a community setting.

Services include direct assistance with instrumental activities of daily living, observation or cueing of the child to safely & appropriately complete activities of daily living and instrumental activities of daily living, supervision necessary for safety at home and in the community (e.g. observation to assure appropriate self-administration of medications, money management, assistance with communication, arranging and using transportation, checking out library books, ordering food from a menu); and intermittent major household tasks that must be performed seasonally or in response to a natural or other periodic event for reasons of health and safety or the need to assure the youth's continued community living.

• Transportation – Transportation maintains or improves the child's mobility and increases their inclusion, independence, and participation in the community. This service funds the child's or youth's nonmedical, nonemergency transportation needs related to engaging with their community—with the people, places, and resources that are meaningful for their self-determination—and to meet their goals and daily needs. If needed, transportation charges for an attendant (including parent/guardian) to accompany the child or youth when accessing the community are included.

Providers are required to have a current driver's license issued by the Department of Transportation and current insurance and must provide copies of both to BDS Fiscal. Vehicles used to provide transportation must be insured and in good repair, with all operating and safety systems functioning.

Please check all <u>authorized</u> service(s) the employee will provide for the employer/participant:

By signing below, I demonstrate that I understand and accept the above responsibilities. Both parties understand that we may not charge in excess of the amount authorized on the Child/Participant's plan. After the Employee has performed the services per this agreement, timesheets are due to BDS Fiscal according to the Payment Schedule. Both signers agree to only submit timesheets within the hours authorized. Without prior approval, excess hours claimed above authorization may be rejected for payment.

CRITICAL INCIDENT REPORTING OVERVIEW

What is a critical incident?

A critical incident is any actual or alleged event or situation that creates a significant risk or serious harm to the physical, mental health, safety, or well being of your child. The critical incidents that must be reported to your Support and Service Coordinator include:

- Any abuse or neglect of the child known or suspected
- Errors in medical or medication management that result in a significant adverse reaction that requires medical attention
- The initiation of an investigation by law enforcement of an event or allegation regarding a child as either a perpetrator or victim, unless such action is a component of an approved crisis or treatment plan.
- Significant and substantial damage to the residence of the child or service provider.
- Use of isolation, seclusion, or restraint by a service provider which is not included and approved as part of a behavior support plan.
- An unexpected event or behavior that causes a serious injury or risk to the child; which may include running away, setting a fire, violence, hospitalization resulting from an accident, suspected or confirmed suicide attempts, or death of the child.

If any of these incidents occur please contact your Support & Service Coordinator.

Contact Name & Phone Number: Washington County Human Services Department, division of Children & Families: 262-335-4610

Why is a critical incident reported?

- The assurance of health, safety, and welfare of the child is a condition of all Medicaid Waivers by the federal Centers for Medicare and Medicaid Services.
- One of the ways both the State and contracted agents assure health, safety, and welfare of the child is by individually reporting, monitoring, and resolving critical incidents.
- To address incidents as they occur and decrease the likelihood of a recurrence.

How is a critical incident reported?

- As soon as possible families and providers are required to report critical incidents to their agency Support and Service Coordinator.
- Agency Support and Service Coordinators are required to immediately report critical incidents to the State staff responsible for the CLTS Waiver program to ensure necessary steps have been taken to protect the child and assure safety.
- Agency Support & Service Coordinators are required to submit a final report within 30 days of the incident.

What happens after a critical incident is reported?

- Support and Service Coordinators are expected to address and resolve situations and implement systems to decrease the likelihood of a recurrence.
- The State staff responsible for the CLTS Waiver program will use information collected in critical incident reports to identify statewide or regional trends, which will then allow for the development of training or interventions to decrease the likelihood of recurrence.

If a critical incident occurs, families and providers should seek all necessary care and assistance from medical or emergency personnel as appropriate. This reporting procedure does not provide an immediate response or replace other mandatory reporting expected of agency personnel.

Employee:

I have received a copy of the Children's Long Term Support (CLTS) Waiver Critical Incident Reporting Overview in writing and have reviewed the information it contains. I understand that as a service provider, if a critical incident occurs when I am providing a CLTS Waiver-funded service to a child, I must follow the critical incident reporting procedure and contact the child's CLTS Support and Service Coordinator. I also understand that I should seek all necessary care and assistance from medical or emergency personnel as appropriate, including mandated reporting. If I have questions about critical incident reporting, I can contact the child's Support and Service Coordinator.
