DISABILITY SERVICES

Annual Report 2022

A message from the Executive Director, Mary Schinkowitch:

Greetings!

I am delighted to extend my warmest greetings as we gather together once again to reflect upon the past year's accomplishments in our annual report. As the Executive Director of Broadscope Disability Services, it is my distinct honor to share with you the incredible strides we have made in our mission to advance opportunities for individuals with disabilities and their families.

Our commitment to empowering individuals with disabilities remains unwavering. This report showcases some of the highlights of 2022 which demonstrate our dedication to inclusivity and innovation.

With your continued support, we are breaking barriers and creating a more inclusive society. I invite you to explore the report, witness the lives we've touched, and join us in shaping a brighter future.

Thank you for being a part of our journey.

Warm regards,

Mary Schinkowitch

Mission

To advance opportunities for people with disabilities and their families.

Vision

A world where people with disabilities and their families have the same opportunities as everyone else.

Focus

To enhance the lives of people with a broad scope of disabilities and their families by fostering inclusion and empowering freedom of choice.

Broadscope Staff

It gives me joy being a part of an organization that's committed to making a difference in the community and knowing I have made an impact to a consumer life.

My team is very supportive and understanding of each other's differences and views them as strengths. Working at Broadscope has been a refreshingly inclusive office experience and I am grateful for their flexibility.

I enjoy the varied work, being able to help with the fundraisers and client events. Everyone here is such a pleasure to work with.

My passion is to love and serve others. At Broadscope I am able to do this by using my unique and creative skills to improve the lives of all those I encounter.

The Caring Garden

This past year Broadscope partnered with local community artist CK Ledesma to create a mural titled “The Caring Garden.” Together our community and CK developed a vision around fostering a nurturing and diverse environment that encourages individuals to be authentically themselves.

One contributor who attended both the development workshop and mural painting said the project was refreshing and gave them an opportunity to connect with their younger self. Reflecting on the experience they said the mural “gave everyone an opportunity to work together and I saw people get out of their comfort zone, which is what Broadscope is all about.” Another contributor was excited to participate because it was their first time ever painting a mural, and they were able to work on their favorite color. The project came together as a beautiful way for us to connect with one another and create a visual representation of our vibrant community. We welcome you to stop in and see the finished project. It is amazing!

Broadscope Bright Spot

Drum Circles:

Broadscope Disability Services strives to host activities that are engaging, impactful, and geared toward independence. In 2022, we had the honor of partnering with Arts@Large on a drum circle workshop series. The energy during these sessions is electric. As the group practices drum beats, participants learn to step outside their comfort zone, support each other, and give space for each person to shine. Each person has their own beat, but when combined, beautiful music is made.

These workshops were made possible through the generosity of the Forest County Potawatomi Foundation.

Employment Services

Employment Services 2022 Impact

Open to participants aged 14 years and older, Employment Services assists individuals who have diverse abilities to achieve more independent lives by gaining and retaining competitive employment.

Our Employment Services team continues to adopt creative strategies to make back-to-work or new-to-work transitions successful.

4,680

hours of direct employment services support

100%

of employment services consumers re-entered the workforce post-COVID-19 related job loss

98%

retention rate for jobs placed in 2022

98%

of consumers reported progress in personal employment-specific goals

27

community employment focused outreach and resource events were held in 2022

1,369

individuals were provided access to employment support and resources through outreach and events

Independent Living

Independent Living 2022 Impact

The Independent Living program assists adults with disabilities to live as independently as possible in the community. Individualized services include finding accessible and affordable housing, arranging transportation, financial management skills training, health care coordination, and daily living skills training.

In 2022, staff and participants were thrilled to begin gathering again for social engagement events.

Through the generosity of the Forest County Potawatomi Foundation, Broadscope was able to host several in-person events that allowed participants to experience new and exciting activities and venues.

3,864

hours of independent living training skills provided

45

individuals served

7

referral calls every month on average

17

events designed for socialization and inclusion

Respite Care Coordination

Respite Care Coordination 2022 Impact

The Respite Care Coordination program is critical to the well-being of the entire family. Parents and caregivers of children and adults with disabilities are constantly providing care and advocating for their loved ones. Respite care provides a break for errands, appointments, quality time with siblings or a spouse, and a general recharge. Broadscope assists families in coordinating respite care with the provider of their choosing, either referred by Broadscope or identified by the family, ensuring they have someone they can trust caring for their loved one.

Representative Payee

Representative Payee 2022 Impact

The Representative Payee program provides services for people with disabilities who receive Social Security or Disability income and who have been identified as needing assistance managing their benefits. We ensure clients are protected from financial exploitation and that funds are being used appropriately and in their best interests.

229
total consumers served

16
new consumers connected

55%
of consumers live in board and care facilities, such as group homes or adult family homes

28%
live independently in apartments or semi-individually in supported housing

4%
of Representative Payee consumers live in long-term care facilities

Taste of Milwaukee

Taste of Milwaukee is typically a tasting fundraiser where the best local restaurants unite to serve up their specialty dish to more than 250 foodies, business leaders, and other supporters. Although we were unable to gather for an in-person event out of caution for the health and safety of attendees, we were thrilled to host Virtual Taste of Milwaukee with a Side of Trivia.

Virtual Taste of Milwaukee with a Side of Trivia was held on Thursday, March 10. Broadscope supporters formed trivia teams and competed to claim the Trivia Master Title. Trivia format allowed all team members to be in separate locations and answer questions on a phone or tablet. During trivia breaks, participants watched videos featuring testimonials from clients and saw how their support truly makes a difference in the lives of individuals with disabilities. VIP attendees were able to enjoy a cocktail and chocolate pairing from Indulgence Chocolatiers. Twenty-five teams (152 individuals) came together not only for a fun night of trivia but to advocate for a more inclusive community.

Molson Coors Charlie Kapp Charity Golf Challenge

The 26th Annual Molson Coors Charlie Kapp Charity Golf Challenge was held at the University Club on June 13. This year's event sold out at 36 foursomes and raised more than \$120,000 to advance opportunities for individuals with disabilities. The outing was founded in 1995 by Charlie Kapp, a 30-year sales executive for Miller Brewing Company, whose daughter, Dana, had cerebral palsy and passed away in 1988. Charlie served on the organization's board (then UCP-SEW and UCP National) until he passed away unexpectedly in 1996. In 1997, this event was named in his honor, and Charlie and Dana continue to be honored through our annual golf outing. This event would not be possible without the continued support of Molson Coors, the Kapp family, and our generous sponsors, donors, and golfers.

Joe's Run, Walk and Roll

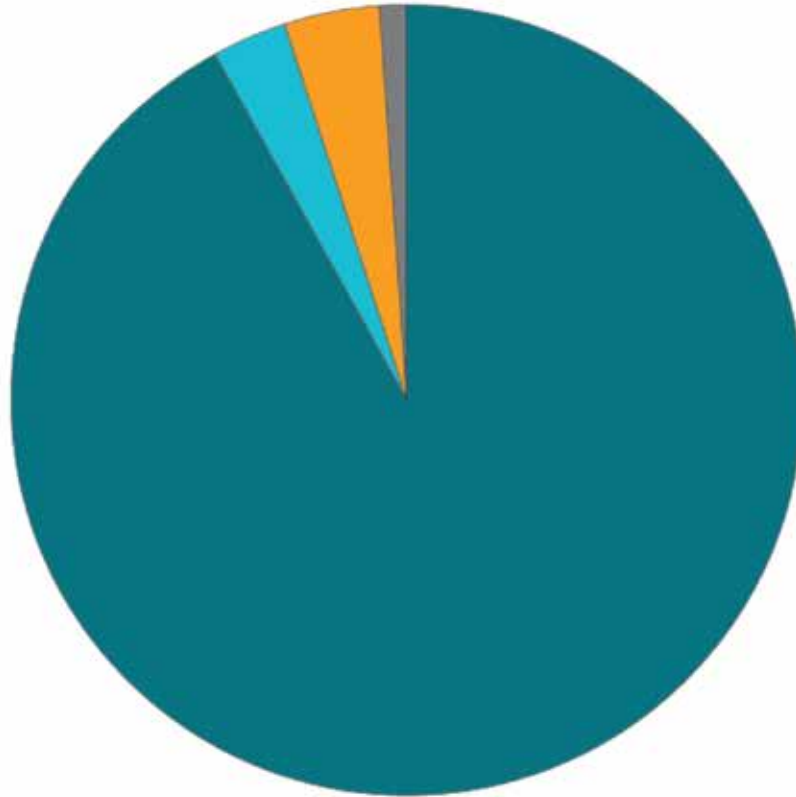

This year marked the 26th Annual Joe's Run, Walk and Roll! We are proud to honor Joe Lubarsky, the event founder, and continue hosting this annual event. The 2022 Joe's Run was the second year with the competitive 5K, in addition to the fun walk/roll, which helped our attendance to 216 registrants. The post-race reception included lunch from Jimmy John's, and family-friendly activities like face painting, raffles, a photo booth, and a caricature artist.

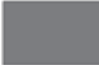

*2022 Financial
Summary*

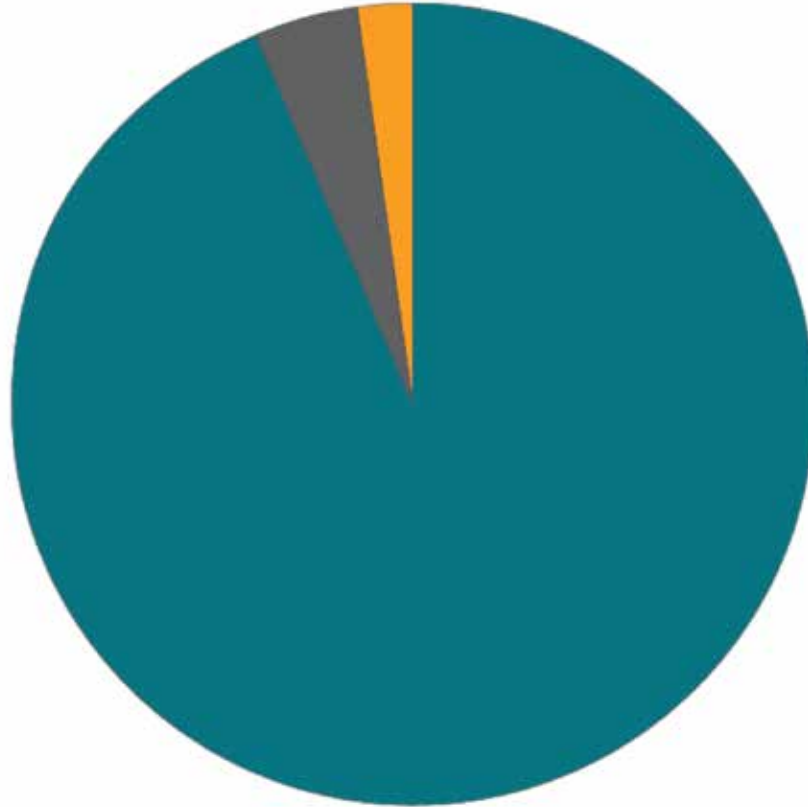

Revenue

Total Revenue: \$4,415,106

	Other (Investments, In-kind, etc)	\$39,069
	Fundraising	\$170,851
