## Tickets for Taste of Milwaukee on sale now!

It's almost time for the the annual food tasting fundraiser! Join us for Taste of Milwaukee on March 5 at the Marcus Performing Arts Center. It's such a special evening for us because we get to celebrate the wonderful Broadscope community together while enjoying delicious food. Some of the city's top restaurants will be serving their signature dish. Throughout the night, guests can vote for their favorite dish. One lucky restaurant will leave with the Best Dish Award.

Taste of Milwaukee will feature live music, a silent auction, wine pull, raffles, and a photo booth! All proceeds benefit the individuals served by Broadscope's Independent Living, Employment, Respite Care Coordination, and Representative Payee programs, and their families.

## Broadscope Staff Spotlight

Nancy McCaskey-Castelic, Development Manager

Nancy has been with Broadscope Disability Services for two years. She loves coordinating events and figuring out all of the logistics for a successful event.

Nancy has three children. Her oldest will be graduating from UW-Madison. In her free time, she enjoys hiking with her dog and exploring new places. Most recently, Nancy traveled to Hot Springs, Arkansas, where she loved hiking the trails and learning about the city's history.
